

Summary

General Purpose

Power Entry Module with/without Filters

M-Series

Page 13

PCB Filters

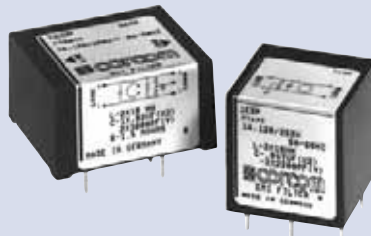

*XP-, YP-, ZP-Series
F-3443*

Page 42

PCB Filters for various Requirements

EBP-, EDP-, EOP-Series

Page 44

Chassis-mount Filters

X-, Z-Series

Page 61

Power Entry Module with/without Filters and variable Construction

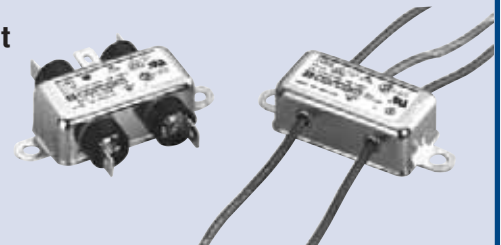

P-Series

Page 9

Universal Chassis-mount Filters

B-Series

Page 46

Power Entry Module Filters

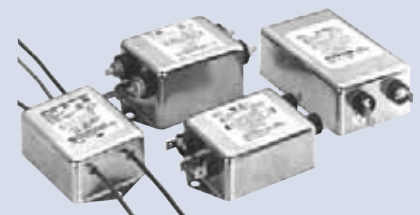

EDL-, EHL-Series, F-3558

Page 19

Chassis/Back Panel Mount Filters with/without IEC Connector

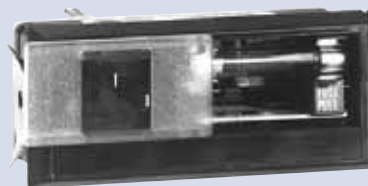

R-Series

Page 50

Power Entry Modules with/without Filters

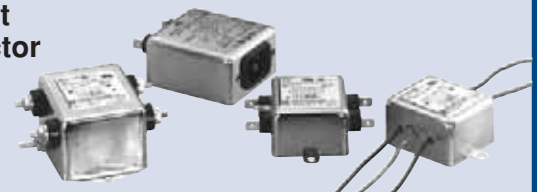

J-Series

Page 25

Universal Chassis/Back Panel Mount Filters with/without IEC Connector

K-Series

Page 48

IEC Connector Filters

EEA-, EEB-Series

Page 31

Faston-, Solder Lugs or Wire Terminals

Universal Chassis/Back Panel Mount Filters with IEC Connector

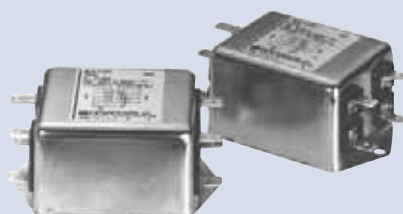

DK-Series

Page 52

3-Phase Filters

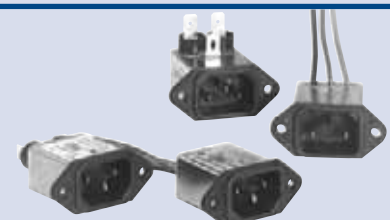

AYO-Series

Page 76

IEC Connector Filters

EF-Series, EH-Series

Page 34,40

Faston-, Solder Lugs or Wire Terminals

For Superior Performance

Chassis-mount Filters with Screw Type Terminals

FC10-Series

Page 64

3-Phase Filters

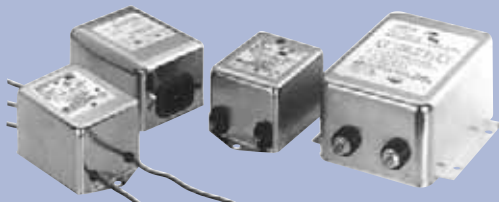

A-Series
ADT-Series

Page 68, 72

Chassis-mount Filters

T-Series

For medical applications
up to 15A / 250VAC

Page 58

3-Phase Filters

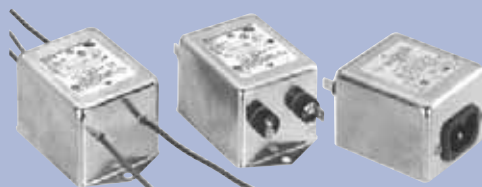

F-Series

Page 77

Chassis/Back Panel mount Filters with/without IEC Connector

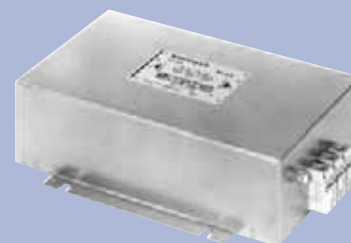

EP-Series

Page 60

3-Phase Filters with Screw Type Terminals

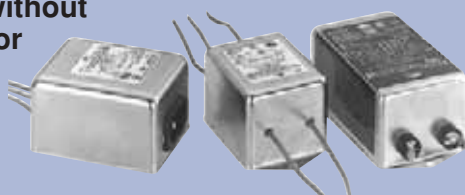

FCD-Series

Page 80

Chassis/Back Panel mount Filters with/without IEC Connector

Q-Series

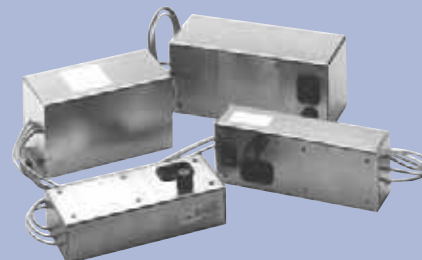

For medical applications
up to 6A / 250VAC

Page 62

Line Filters for Tempest Applications

AQ-Series

Page 88

3-Phase plus Neutral Filters

AYC-Series

Page 70

Chassis-mount Filters with Screw Terminal Plugs

FC10B-, FCD10B-Series

Page 64, 83

3-Phase Filters

BCD-Series

Page 85

3-Phase Filters

FCD10BS-Series

Page 83

For Wide Performance Range

Power Entry Module with high performance Filter

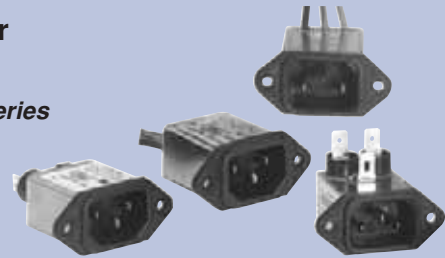

LA-Series

Page 23

IEC Connector Filters

EC-Series, ED-Series

Page 38 / 36

Faston- or Wire Terminals

IEC Connector Filters with Fuses

EGG-Series

Page 28

Faston- or Wire Terminals

Chassis-mount Filters

G/N-Series

Page 45

IEC Connector Filters

EBF-Series

Page 30

Faston- or Wire Terminals

Chassis-mount Filters

VS-, VV-, VW-Series

NEW: *MV-Series* for medical applications up to 20A/250VAC

Page 54

IEC Connector Filters with Fuses

EHG-Series

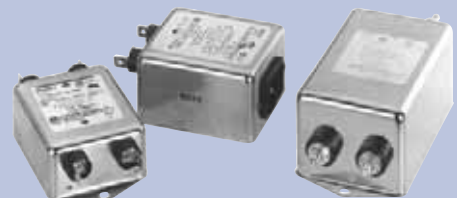

Page 28

For medical applications

Chassis/Back Panel Mount Filters with/without IEC Connector

SK-Series

Page 56

2-Phase Filters

IK-Series

Page 66

3-Phase Filters (With neutral)

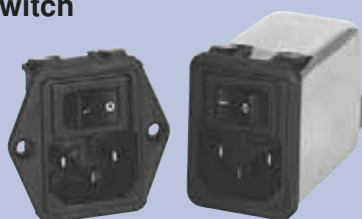

AYA6-Series

Page 74

IEC Connector Filters with double Pole Switch

C-Series

Page 26

High Current Filters

CFN-Series **NEW**
